

**Ready-Set-Read  
Family Literacy Program**

**Book Bag Program/Participation Agreement**

The book bags will contain a book, an activity to complete with your child.

Head Start children will check out the book bags for up to three days and then return them to the center.

When a book bag is brought home the family is responsible for all the contents. Please be sure to discuss with your child, the proper way to handle (hold) and care for books. We want all the books in the bag to stay in good condition for the next family.

Children will **NOT** be allowed to bring home another book bag until the previous one has been returned.

The activity sheet included in each bag, is yours to keep, it is a great resource. Please keep these and have fun building your own resource library.

The book bag reading goal is complete one each week, and at the end of six weeks your child will earn a free book for the family's home library.

The Literacy Officer in cooperation with the literacy volunteers will keep track of the book bag distribution.

If you would like to enroll your child in the Read-Set-Read Family Literacy Program please complete the following form.
